

Item no.: 371168 GGS22032 - Token Silo Card Add-On Lime

Product Description

Expansion for the Token Silo with the 3-piece add-on set. Gamegenic's modular Token Silo stores and organises a variety of tokens, cards, dials, cubes and many other items. With this Token Silo Cards Add-On, you can interchange the compartments of the Token Silo to create a unique product that suits personal needs. The add-on is particularly useful for storing more cards: The large compartment holds 40 individually sleeved or 75 unsleeved standard cards (64 x 89 mm), while the small compartment holds 45 individually sleeved or 65 unsleeved mini American cards (42 x 65 mm). The Token Silo Cards Add-On allows maximum flexibility and modularity.
