Product Description

MINI PLUS - Bag for Space Marines

From now on, Land Raider, Dreadnought & Co. are in safe hands: The Feldherr MAXI PLUS bag allows you to safely store and conveniently transport your collection.

The foam tray for the Land Raider has 1 custom cut compartment for the exclusive miniature. The other 2 compartments are suitable for models like e. g. Cybots.

The foam tray for the Dreadnought features 1 custom compartment for the fighting machine. In addition, the tray has 4 compartments for larger miniatures like Centurions, Inceptors or Captains. The two small compartments are suitable for standard models on 32 mm bases.

The other two trays of the set are suitable for standard infantry miniatures.

The tray with the 32 compartments is suitable for models on 32 mm bases.

Each of the 32 compartments is 54 mm long x 35 mm wide x 40 mm deep.

The tray with the 25 compartments will hold miniatures on 40 mm bases.

Each of the 25 compartments is 54 mm long x 41 mm wide x 40 mm deep.

Of course, the trays fit exactly into the stable MAXI PLUS bag. The bag is made of particularly hard-wearing fabric. Padded side panels and a reinforced base additionally ensure that the contents are optimally protected from external influences even when transported by car or train. Next to the large main compartment, the bag has a smaller pocket with a zipper at the front. Game sheets, books and writing material can be stored here.

The matching foam topper completes the set. Just place it on the upper tray to make sure that nothing falls out during transport.

Attention! Not suitable for children under 36 months.
