### Product Description

#### Organizer for Clans of Caledonia, Board Game Box

In the challenging economic simulation "Clans of Caledonia", you and your friends try to lead Scotland from an agrarian state into the industrial age, while increasing the economic supremacy of your respective clans. But with over 250 small parts you can quickly lose the overview and the fun. In order to give you the most fun possible, we have summoned the Scottish Spirit in our Feldherr Team, been into the grog again, put on kilts and with bagpipes under our arms we brought you this wonderful gaming solution.

With this Feldherr Organizer Set made of sturdy plastic - well thought-out and tailor-made for the core game - order is achieved in the box and on the tabletop.

- The organizer offers enough space for all the game materials from the "Clans of Caledonia" core game by Karma Games.
- Every player has his own tray. That way you always keep track of your resources.
- Rulebooks, Player aids, Player boards, Scoresheet pad, Market boards, Export board and map modules are stored separately.
- No assembly required. Thanks to the token holders you are ready to play right away.

Leading a country into a new age while increasing the wealth of your clan can be exhausting, especially when the game materials are scattered wildly in the box. We have the solution for you, so that you can focus on the really important things: whiskey and money. We make organizing the gaming material a piece of cake.

Thanks to the 8 Feldherr token holders, you have more time to enjoy the game. The individually designed compartments help you to keep track. Since your friends also have their own trays, you save your nerves several times over.

Lid off and play. Designed as the perfect gaming solution, trays can be quickly taken out of the box, placed on the gaming table and in no time Scotland is led into a new age.

Rulebooks, Player aids, Player boards, Scoresheet pad, Market boards, Export board and map modules are stored separately.

Finally, the foam topper is placed on top so that everything fits well.

As with all 3D-printed models, minor imperfections may occur. The product images are only examples of how the finished product may look. Colors may vary. All products are delivered unpainted.
