Product Description

Whether from the depths of the earth or the infinity of the cosmos - unknown horrors can appear from anywhere without warning. These unspeakable abominations vary greatly in shape and size and pose a threat whose full extent is usually only realised when it is already too late. Now it is up to the brave few to confront the horrors with alert minds, sharpened survival instincts or even pure luck to prevent everything from being devoured.

The Investigator Expansion The Feast of Hemlock Vale for Arkham Horror: The Card Game features 5 new investigators and a host of new player cards, including brand new bound cards and those that rely on Boon and Curse markers. Always have the right tools at hand as Wilson Richards, the man for all cases; build the perfect lab as scientist Kate Winthrop; talk your way out of any sticky situation as the Countess Alessandra Zorzi; bring order to chaos as folklorist K?haku Narukami; and throw yourself protectively in front of innocents as harvester Hank Samson.

With the Investigator Expansion The Feast of Hemlock Vale, you can build new Investigator Decks or redesign your existing ones to play Arkham Horror: The Card Game scenarios and campaigns as you see fit.

The base game Arkham Horror: The Card Game is required to play the expansion.
