Product Description

Cut off one head and two more grow back. But the undead Hydra soldiers commanded by Red Skull fight on even without a head to further Red Skull's megalomaniacal crusade. You and your allies - dead or alive - have no choice but to oppose the dark machinations of this organisation.

The heroes are left with nowhere to go in this world littered with Red Skull's fanatical hordes.

In this expansion, the clashes between S.H.I.E.L.D. and Hydra reach unprecedented heights. As the chaos between living and zombie heroes continues, Red Skull attempts to seize power through armies of undead Hydra soldiers. This horde is armed to the teeth and poses a real threat to both the superheroes and the zombie heroes. There is only one thing you can do: defend the S.H.I.E.L.D. Helicarrier and storm Hydra's secret base, but beware of Red Skull's relentless fist.

This expansion contains missions for both Hero and Zombie modes. There are also special Red Skull missions that can be played with either mode.

This expansion requires the base game Marvel Zombies to play in Zombie Mode and/or the base game X-Men Resistance to play in Hero Mode.
