Product Description

Two dead bodies are found at an art gala. How did the Botox doctor and the art hunter die? What were a windy car mogul and an ambitious influencer doing at the scene of the crime?

In the crime game CRIMECASES: Malpractice Crime Scene, you become the investigator in an exciting criminal case and must solve the murder of members of high society at an art gala. Because there are no complicated rules, you can start right away. It doesn't matter whether you are a puzzle game beginner or a professional: thanks to the selectable difficulty in the game app, every team will get its money's worth. Investigate with real letters, credit cards, photos, documents and digitally on the internet - the perpetrator has left traces everywhere. Work together and collect evidence to catch the murderer. The game does not have to be destroyed in the process. Search for the murderer, determine the motives - Will you be able to solve the case?
