Product Description

Not even the far reaches of the galaxy remain untouched by the zombie invasion. Even the strong alliance of the Guardians of the Galaxy has been divided by the outbreak. But their problems (and those of the entire universe) are just getting started. Zombies are bad enough, but a zombified Thanos is a problem of galactic proportions. And a zombified Thanos with Infinity Stones? That nightmare could become a reality if we don't stop him!

This expansion requires the base game Marvel Zombies to play in Zombie Mode and/or the base game X-Men Resistance to play in Hero Mode.
Not suitable for children under 36 months.

- Number of players: 1-6 players
