Product Description

The members of the notorious supervillain group Sinister Six have changed frequently over the years, but one thing unites them all: these misfits don't think much of law and order and their common arch-enemy is Spider-Man.

But now that half of them are zombified, their group dynamic has changed a lot. The battle between the living and the undead continues to escalate.

Clash of the Sinister Six is an expansion for Marvel Zombies that brings a familiar group of villains into the game. From Central Park to the underground stations of New York, the former supervillains battle it out in two different teams. In this expansion, you can pit the zombie and superheroes against each other in team mode. Which side will prevail in the end?

This expansion contains missions for the hero and zombie modes, but also missions for the new team mode.

This expansion requires the base game Marvel Zombies to play in Zombie Mode and/or the base game X-Men Resistance to play in Hero Mode. For team mode, you need both base games.

Not suitable for children under 36 months.

- Number of players: 1-6 players
- Age: from 14 years
