Product Description

This high-quality hexagonal magnetic dice tray is perfect for tabletop and board games. It is compact and has strong embedded magnets that allow you to conjure up a Dice Tray in an instant.

The Dice Tray lies completely flat. No clips or other fasteners are needed: While it lies flat in the box, the game components are not damaged.

The magnetic Dice Tray can be turned completely inside out, offering a new visual gaming experience. One side is black, the other can be chosen from a range of 4 bright colours.

- High quality, fully reversible magnetic dice tray
- 2 different colours in one product
 Effortless transformation without separate fasteners
 Lays completely flat for easy transportation
