Product Description

King's Landing is generally considered a safe place to live, because the troops with the very apt name Gold Cloaks patrol the streets and alleys. They always ensure justice everywhere, whoever is defining justice at the time. But in King's Landing the Lannisters rule and the Gold Cloaks are under the Iron Throne. So you'd better think twice about speaking ill of the King around them.

The unit expansion A Song of Ice & Fire - Dreadfort Spearmen brings a total of twelve miniatures to the popular world of the epic tabletop game. Included are a city gate guard and twelve gold skirts as well as a unit card, a reinforcement card and a movement tableau.

A Song of Ice & Fire - Lannister starter set is required to play this expansion.

Not suitable for children under 36 months.

- Number of players: 2
- Age: from 14 years
- Game duration: 45+ minutes
