Product Description

Arena fighting has always been a popular entertainment format. Since the enslaved fighters have to adapt to all combat disciplines, they are prepared for anything, even though they have neither formal combat training nor decent equipment. After the arena fighters are freed by Daenerys, they swear eternal allegiance to her. Despite their lack of experience on the open battlefield, an enemy commander should not make the mistake of underestimating these unconventional fighters.

The unit expansion A Song of Ice & Fire - Pit Fighters brings a total of twelve miniatures to the popular world of the epic tabletop game. Included are twelve arena fighters as well as a unit card and a movement tableau.

A Song of Ice & Fire - Targaryen starter set is required to play this expansion.

Notsuitable for children under 36 months.

- Number of players: 2
- Age: from 14 years
