

Item no.: 369402

300056538 - Model kit,1:14 3-speed gearbox shaft reinforced (1)

from **15,99 EUR**

Item no.: 369402
shipping weight: 0.20 kg
Manufacturer: TAMIYA

Product Description

Reinforced version of the gear shaft "B" of the 3-speed manual gearbox, which is used in all TAMIYA tractors. This reinforced material reduces wear, ensures better power transmission and improves control of the gears.

Not suitable for children under 36 months.

- Age recommendation: from 14 years
- Scope of delivery: Reinforced gear shaft B, ball bearing, assembly material
