Product Description

The floor model is a replica of the Toyota GT-One TS020 driven during the 24 Hours of Le Mans in 1999. The GT-One went down in history as second place was taken despite a puncture, although this had happened an hour before the end of the race. Subsequent years saw subtle aerodynamic improvements to the high-class car. Various other modifications were made to the power, torque and fuel efficiency. Caution! Not suitable for children under 14 years of age.

- Scale: 1:24- Recommended age: 14 years and up- Length: 202 mm- Contents: Kit model (racing car), engine, instructions, decoration- The high-quality kit from TAMIYA must be assembled independently.- The independent assembly is accompanied by step-by-step or illustrated assembly instructions. - The assembly instructions are of course included in the delivery.- Based on the assembly instructions, the precisely fitting individual parts must be assembled. - The parts can be painted according to your own ideas.- Tools, glue and paint are not included in the plastic kit. These must be purchased as an option.
