Product Description

The CARSON pallet box is the visual supplement or useful high-end extension for the stake trailer III (N° 500907629) and the flatbed trailer III (500907650). The pallet box is made of laser-cut and CNC-bent sheet steel and offers space for a maximum of 24 pallets. The flap is locked by neodymium magnets. Of course, electronic components can also be accommodated in the pallet box. The delivery includes detailed assembly instructions and 6 Euro pallets.

Notsuitable for children under 3 years. Danger of suffocation due to small parts.

- Age recommendation: from 14 years
- Scale: 1:14
- Sheet steel laser cut & CNC bent
- true to original opening mechanism
- Space for 24 pallets
- 6 Euro pallets made of plastic
- Locking of the flap is done by neodymium magnets
- Detailed building instructions
- Compatible with 500907629 stake semi-trailer III and 500907650
