

Item no.: 369202

Model Kit,1:10 Rally Cockpit Set Left Hand Drive

from **16,27 EUR**

Item no.: 369202
shipping weight: 2.00 kg
Manufacturer: TAMIYA

Product Description

The TAMIYA rally cockpit set for left-hand drive vehicles fits many TAMIYA 1/10th scale models and gives rally vehicles a prototypical appearance in a simple and convenient way. Thanks to the urethane foam adapter, it is compatible with numerous car bodies.

Attention! Not suitable for children under 3 years. Choking hazard due to small parts.

- Recommended age: 14 years and over- Scale: 1:10- Contents: Cockpit with driver and co-pilot, helmet, urethane foam bag, sticker set, fixing material
