### Product Description

The Yamaha XV1000 Virago is one of the latest flagship models in terms of the so-called "chopper style". Accordingly, TAMIYA honours this motorbike and creates with the model kit an excellent fit as well as detailed representation of this model. The Yamaha XV1000 Virago is known for its pleasant riding pleasure and is therefore establishing itself as increasingly competitive with the American brands. Caution! Not suitable for children under 14 years.

- Scale 1:12- Recommended age: 14 years and up- Length 187 mm- Contents: Kit model, road version, engine, frame, motorbike stand, road tyres, exhaust system, instructions, decals- The high-quality kit from TAMIYA must be assembled independently.- The independent assembly is accompanied by step-by-step or illustrated assembly instructions. - The assembly instructions are of course included in the delivery.- Based on the assembly instructions, the precisely fitting individual parts must be assembled. - The parts can be painted according to your own ideas.- Tools, glue and paint are not included in the plastic kit. These must be purchased as an option.
