### Product Description

The floor model is a replica of the US M151A1 transport vehicle Vietnam. The M151A1 was a variant of the M151, a military utility vehicle used by the US Army and Marine Corps from 1959 to the early 1990s. The M151A1 was first released to the troops in 1964 and had modified rear suspension compared to the original, as well as receiving turn signals on the front wing. Some variants of the M151A1 were equipped with a 106 mm rifle, others were even converted into ambulances. **Caution!** Not suitable for children under 14 years.
