Product Description

The Outer Sleeves Matte Standard Size provide an extra layer of protection for cards and/or art sleeves. These are commonly used to protect art sleeves from damage (outer double-sleeved protection) and can even be used as a third layer for triple-sleeving. Due to the matte lamination, these sleeves avoid annoying reflections to ensure that the cards are clearly visible from all angles and to avoid eye fatigue while playing. The Outer Sleeves come with an extra high clarity that ensures good visual quality. Thanks to the premium surface, these also have a good blended feel. The Outer Sleeves come in an exact size that fit perfectly over standard sleeves. Sleeves that are used for any type of standard TCGs/LCGs. One pack contains 50 Prime Outer Sleeves.
