Product Description

Do you know the award-winning bestseller Qwixx? Then you should definitely try Qwinto!

Just as simple, just as exciting, and yet excitingly different. Here, too, there are no waiting times - one person throws the dice and it's everyone's turn. Whoever cleverly enters the numbers rolled into the 3 colour rows and collects the most bonus points wins. Let yourself be inspired!

Each player tries to enter as many numbers as possible in the 3 colour rows. You get especially many points for a colour row if you manage to enter numbers in all the fields of this colour row. There are also lucrative bonus points if you manage to enter numbers in all three fields of a vertical column of 3.

Caution: Not suitable for children under 36 months.

- Number: for 2 to 6 players
- Age: from 8 years
