Product Description

Septima is a competitive, highly interactive strategy game about witchcraft. As the leader of your coven, you must prove yourself in the city of Noctenburg to succeed Septima, the head witch. Practice your craft and gain wisdom by gathering herbs, brewing potions, healing the townspeople, mastering spells and saving your fellow brothers and sisters from persecution. But be careful: magic, even when used for good, arouses suspicion among the townspeople...

Caution! Not suitable for children under 36 months!

- Age: from 12 years
- Number: for 1-4 players
- Duration: 25-100 minutes
