Product Description

The makers of Punktosalat have taken to the city. Punkttestadt is a fast and fun card and city building game for the whole family! With over 150 unique building cards, you will build a different city in every game!

Punkttestadt features a simple principle: choose cards and build the best possible combination, complemented by resource management and engine building - making it easy to learn, yet challenging!

Caution! Not suitable for children under 36 months!

- Age: from 10 years
- Number: for 1-4 players
- Duration: 15-30 minutes
