Product Description

Are you ready for an adventure in the fantastic kingdom of Ambossa? Everywhere in the land it is already known: the king is looking for an equal successor! Haven't you always wanted to be king?

In this dice and card game, each of you is a daring hero in search of the best equipment and strategy to defeat the king in the final duel! Kingscraft compresses the feel of a classic RPG adventure into a game of about 60 minutes. Throughout the game, you face off against evil creatures with your dice and equipment. Find new equipment, weapons, potions and artefacts and upgrade them in the forge to even more powerful equipment cards.

But hurry, because only one of you can become the new King of Ambossa. The player who first dares to take on the king and defeats him wins the game. Do you have what it takes to rule?

Caution. Not suitable for children under 36 months!

- Age: from 10 years
