Product Description

It is the late 1960s and a new generation of young people is striving for freedom, friendship and love. To live this dream, they create events where everyone can come together in peace and enjoy the ultimate life experience - music festivals! Everyone wants to see The Cascadians, Tikki Tooraid and Great Western Cowboys this summer, but which festival will they play at?

In Come Together, you organise your own festival and use your volunteers to attract audiences and the hottest artists, build stages and camps, and promote to make your festival the best ever!

Caution. Not suitable for children under 36 months!

- Age: from 14 years
- Number: for 1-6 players
- Duration: 60-90 minutes
