Product Description

The floor model is a recreation of the Mazda MX-5 RF, which was originally announced in 2016. The RF in the model name stands for Retractable Fastback, as the car features a fastback hardtop design with an innovative retractable roof. The roof can be opened in a matter of seconds at the touch of a button. In addition, the suspension of the car as well as the chassis has been optimised without reducing Mazda's safety features.
