Product Description

Carbon decorative film (wet sliding decor) for TAMIYA kits in scales 1:6 to 1:24.

Carbon fabric decor foils are a great way to increase the realism of your model. With the TAMIYA carbon fibre decal films you can enhance the appearance of carbon parts such as winglets or spoilers on your model.

Simply cut the film to the size and shape of the section you wish to cover.

When used in conjunction with Tamiya Mark Fit (peel-off solution - 300087102, 300087135, 300087205), applying the film to curved surfaces becomes even easier. Caution!Not suitable for children under 36 months. Choking hazard due to small parts.
