### Product Description

In recent years, the curtainside has increasingly become the standard trailer for various goods transports. The ability to slide the curtain sides makes loading and unloading goods easy. This model is a 3-axle trailer with frame protection and stable tailgates, as it is generally used throughout Europe.

Caution. Not suitable for children under 36 months.

- Model dimensions: 58.0 cm
- Tractor not included
- SUPER DELAS SHEET with tractor decals included
- New tyres
- Age recommendation: from 14 years
