Product Description

The Academic 133+ XL holds 133+ double-sided cards in extra thick inner sleeves plus accessories. A branded version with the named Tolarian logos.

With its innovative details, the Academic 133+ XL is everything you need for a great evening of card playing. It is very versatile and is perfect for a variety of games, players and needs. The retail version of the Academic 133+ XL comes with all the features of the Kickstarter box: a high-quality acrylic compartment divider, two removable hidden drawers with magnetic flaps, and additional compartments for even more gaming accessories. In addition, it is equipped with the CONVERTIBLE system. The removable lid is attached to the underside and thus saves valuable space on the table. In addition, the strong magnets and the locking mechanism keep the Academic 133+ XL securely closed.

Maximum flexibility: The Academic 133+ XL can hold cards, other deck boxes, tokens, dice, slide card cases, toploaders, sleeved oversized cards, boosters, life counters or Cube Pockets 15+.

Caution. Not suitable for children under 36 months.
