Item no.: 370267  
shipping weight: 0.50 kg  
Manufacturer: TAMIYA

### Product Description

The floor model is a replica of the German tank destroyer Nashorn from the Second World War. Despite its light armour, the tank was able to smash other armour with its high penetrating power.

Due to the relatively low production costs of the tank, it remained in production until the end of WWII. The TAMIYA model in scale 1:35, has a high accuracy of fit as well as a high level of detail and includes 4 additional figures.

Not suitable for children under 3 years. Choking hazard due to small parts  
techn. description:
