Product Description

This well-known English brand returned to the limelight after the war. The well-known single-cylinder 500 cc motorbike won the first World Championship race in England in 1949 with rider Daniell, which was held on the winding track of the Tourist Trophy. In the following years 1950 and 1951 the indestructible English rider G. Duke won the World Championship with this motorbike.

- Detailed model kit in scale 1:9.- The high-quality kit from Italeri has to be assembled by yourself.- The independent assembly is accompanied by step-by-step or illustrated assembly instructions. The assembly instructions are of course included in the delivery.- Based on the assembly instructions, the precisely fitting individual parts must be assembled. The parts can be painted according to your own ideas.- Tools, glue and paint are not included in the plastic kit. These must be purchased as an option.

Caution: Not suitable for children under 36 months due to small parts which may be swallowed, risk of suffocation.

- Recommended age: from 14 years- Scale: 1:9- Length: 220 mm- Contents: Kit, instructions, decoration
