from **21,66 EUR**

Item no.: 371018
shipping weight: 3.00 kg
Manufacturer: Carson

Product Description

Good visibility for the following traffic is also important to us! For this reason, we offer a splash guard set for retrofitting our CARSON trailers. The components required for mounting the rear splash guard are included in the set and are simply screwed to the trailer bumper/rear underride guard. The splash guard for the two mudguards is attached at the designated point and glued with standard superglue.

Suitable for the following trailers: 500907030 1:14 3-axle trailer chassis Ver. II, 500907081 1:14 3-axle flatbed trailer Ver. II, 500907082 1:14 3-axle wooden/ stake trailer Ver. II, 500907092 1:14 3-axle box trailer Ver. II white

Suitable for the following Euro bumpers: 500907074 1:14 Euro bumper suitable for TAMIYA container trailer, 500907075 1:14 Euro bumper suitable for TAMIYA refrigerated trailer, 500907083 1:14 Euro bumper suitable for TAMIYA tank trailer

Not suitable for children under 3 years. Choking hazard due to small parts.

- Recommended age: from 14 years - Scale: 1:14 - Contents: 1 splash guard large (bumper), 2 splash guards small (mudguards), assembly material
