Product Description

Maximum protection for individual cards in an innovative rigid case with sliding mechanism! Protect and present your most valuable cards in this hard-sided card case. The Slide Card Case holds a standard size trading card, such as Magic, Pokémon, Flesh & Blood or similar - even with Inner Sleeve. It impresses with extra-high clarity and offers optimal UV protection at the same time. In addition, your cards are splash-proof. One pack contains 12 Slide Card Cases.

Not suitable for children under 36 months.

- High quality hard shell card case with innovative sliding closure mechanism for secure storage.
- Protects and presents standard size cards, also with inner sleeve
- UV protection and extra-high clarity, protection against splashes and easily stackable
- 12 Slide Cases per pack, each with one case size: 68 x 94 mm (for standard size cards)
