

Item no.: 369865

300178010 - Model Kit, 1:350 Brit. King George V Battleship

57,38 EUR

Item no.: 369865
shipping weight: 0.50 kg
Manufacturer: TAMIYA

Product Description

The floor model is a recreation of the British battleship King George V, which was the lead ship of the battleship class of the same name. Her impressive appearance is completed by the armament of ten 14-inch guns, sixteen 5.25-inch guns and over 100 anti-aircraft guns. The TAMIYA model kit version impresses with its accuracy of fit as well as its attention to detail. Caution! Not suitable for children under 3 years. Choking hazard due to small parts.
