### Product Description

Rubik's Slide (DE), for 1 player, ages 8+

Rubik's Slide - The new, innovative cube from Rubik's. A new challenge for fans of the original Rubik's Cube. With Rubik's Slide, the 25 cubies have to be shifted so that all colors are uniform again on the corresponding pages. The central game pieces are firmly anchored and a field remains free, as with the known sliding puzzles.

A new, practical brain teaser to take with you and experience it over and over again. New personal bests have to be exceeded.

Warning according to Toy Regulation not required.
