Product Description

The fast-paced game for world domination! With the Risk Strike card and dice game, you don't need a board at all and can experience Risk with a fresh twist. The game principle is simple, yet strategic. Here, players declare which continent they want to attack, form their troops and roll the dice to initiate the battle. By using tactic cards, sabotage, bombing and spying can be carried out to secure world domination. In the battle, opponents are defeated to conquer continents and acquire the coveted domination coins. The first player to claim 2 dominion coins wins! Risk Strike is an exciting mix of the classic risk game and the emotions surrounding volatile alliances that can turn against you with the play of a card. The strategy and card game is perfect for a family game night and the compact size also makes it ideal for on the go. Caution! Not suitable for children under 36 months.

- Age: from 10 years- Number: for 2-5 players- Duration: from 20 minutes
