### Product Description

The floor model is a replica of the Tyrrell P34 that raced in 1976. Tyrrell encountered problems when the development of the unique front tyres stagnated as a result of the tyre war between Michelin and Goodyear. Tyrrell continued their efforts to win the season by making only minor adjustments to the P34. The model stands out due to its excellent fitting accuracy as well as its detailed design. Attention! Not suitable for children under 14 years.
