## Product Description

The floor model is a replica of the Yamaha YZF-R1 presented at the Milan motorbike show in September 1997. The road bike was developed for maximum cornering, which was made possible by the 150 hp of the four-stroke 4-cylinder engine. The motorbike was a high-end product at its time due to the high-quality parts used, such as a high-quality aluminium swingarm and a Deltabox II aluminium frame. The TAMIYA model kit version impresses with its high degree of accuracy of fit as well as the faithful reproduction of the original. Caution: Not suitable for children under 14 years of age.

- Scale 1:12- Recommended age: 14 years and up- Length 169 mm- Contents: Kit model (street version), engine, frame, fairing, motorbike stand, street tyres, exhaust system, instructions, decoration- The high-quality kit from TAMIYA must be assembled by the owner.- The independent assembly is accompanied by step-by-step or illustrated assembly instructions. - The assembly instructions are of course included in the delivery.- Based on the assembly instructions, the precisely fitting individual parts must be assembled. - The parts can be painted according to your own ideas.- Tools, glue and paint are not included in the plastic kit. These must be purchased as an option.
