### Product Description

With the trailer chassis in 1:14 scale, container transport becomes child's play. The detailed model with CNC-machined aluminium frame is the perfect addition to your Tamiya tractor. Further features of the trailer chassis are mechanical saddle supports, a swing axle suspension with leaf springs and wide tyres with foam inserts as well as chrome-plated rims. The container attachment is variable. Among other things, the new Carson liquid container (item number: 500907349) is suitable as cargo.

ATTENTION! Not suitable for children under 14 years. The packaging must be kept as it contains important information. The illustrations may differ from the product inside the packaging. TAMIYA-CARSON reserves the right to make improvements and changes at any time.

Caution. Not suitable for children under 36 months.
