Product Description

Tamiya presents the reissue of the classic Lancia 037, whose body was already used in the 300058040 and 300058278 model. Now this is combined with the TA-02SW chassis in short wheelbase. The 037 Rally was Lancia's Group B WRC model. Finishing 1st and 2nd in the 1983 Rally Monte Carlo, this became a legend and won the Constructors' Championship.

Required accessories Remote control with receiver, steering servo, 7.2V NiMH battery pack, charger, TS paint.

WARNING Caution! Not suitable for children under 36 months. Before starting to assemble, make sure you have read and understood all instructions. If a child is assembling the model, a supervising adult should also have read the assembly instructions. Tools including knives are used when assembling the kit. Extra care should be taken to avoid injury. If any difficulties arise during assembly, ask an adult to supervise the work or a modeller with RC experience or a specialist dealer. Use tools only for their intended purpose. Incorrect use may result in injury. If you use paints and/or glues (not included in the kit), note and follow the instructions supplied with them. Keep kit away from small children. Prevent children from putting any components in their mouths or putting plastic bags over their heads.
