Product Description

Off-road champ! Stylish off-road vehicle: The Land Rover Defender from CARSON in British Green paint! With its impact-resistant and robust body, the off-road classic is perfect for extended off-road tours. The remote-controlled crawler has full suspension and extremely interlocking wheel axles. The 20 km/h fast 4WD off-road vehicle is driven on the front and rear axles. The fully proportional steering can be adjusted via the 2.4 GHz remote control included in the scope of delivery. The speed can be throttled for particularly challenging terrain. Thanks to the LED lighting at the front, driving at dusk is no problem. The Land Rover is charged via USB, one battery charge gives you 20 minutes of driving fun. Have fun off-road with your CARSON 1:8 Land Rover Defender!

ATTENTION! Not suitable for children under the age of three. There is a choking hazard due to small parts that may be swallowed! Please keep these instructions for any correspondence. Use under the direct supervision of adults. Adult assistance is required to remove the transport locks. We reserve the right to make colour and technical changes.
