## 📄 Product Description

The Grand Hauler is another highlight from the TAMIYA 1/14 truck series. It is based on the legendary King Hauler (item 300056301) - the "forefather" of all TAMIYA trucks.The King Hauler body has undergone a thorough tuning cure and includes numerous new and modified parts based on the current American truck tuning scene.<br / The body, H, P and Q12/Q15 parts were produced in black plastic and pre-painted in TS-40 Metallic Black (Matt).The TAMIYA designers added new metal parts, chrome-plated plastic parts for a new distinctive look. Furthermore, the new Grand Hauler has a longer frame compared to the King Hauler, making it a real show truck!

Required accessories- min. 4-channel remote control, e.g. CARSON Reflex Stick- drive battery 7,2 V, e.g. CARSON NiMH 7,2 V/3.000 mAh N° 500608022- steering servo- TAMIYA 300056523 MFC-03 multifunction unit (euro. Sound) or separate electronic speed controller

WARNINGSThe instructions should be read and understood in full with an adult. Keep away from small children. Do not allow children to put any parts or packaging material in their mouths. The model may have some sharp corners. Be aware of this when handling. Read the instructions that come with the RC unit and keep them for future reference.
