Product Description

The Micro X-Warrior 2.0 in 1:32 scale is the perfect mini racing machine for home and garden.

The easy-to-control 2WD RC buggy has two speed settings up to 30 km/h and is extremely manoeuvrable. Thanks to the grippy rubber tyres, you always have enough grip even on uneven surfaces.

The scope of delivery includes a 2.4 GHz 3-channel remote control, a LiPo drive battery, tools and several pylons for setting up a race track in addition to the jumping hill that matches the look of the vehicle.

After a long driving time of 15 minutes, you can easily recharge the little racer via USB cable.

The matching replacement battery is available separately under item no.: 500608261.

Not suitable for children under 36 months. Choking hazard due to small parts.
