### Product Description

The next prank of our cheeky beavers: In Beaver Gang, swap your cards cleverly to have as few points as possible at the end of the round. Collect low points, or even better: the same values of a column. Do you risk blindly swapping numbers or do you prefer to reveal your cards first? With a bit of luck, a beaver will swim in to optimise your display and you will win. Beaver Gang provides entertaining fun and surprising turns at the game table. Caution! Not suitable for children under 36 months.

- Language: German- Age: from 8 years- Number of players: 2-6 players
