Product Description

Off-road champ in safari look! You want to go on an off-road RC safari? The CARSON Land Rover Defender with zebra livery is the Jeep of your choice!

With its impact-resistant and robust body, the off-road classic is perfect for extended off-road tours. The remote-controlled crawler has full suspension and extremely interlocking wheel axles.

The 20 km/h fast 4WD off-road vehicle is driven on the front and rear axles. The fully proportional steering can be adjusted via the 2.4 GHz remote control included in the scope of delivery.

- The speed can be throttled for particularly challenging terrain
- Thanks to the LED lighting at the front, driving at dusk is no problem
- The Land Rover is charged via USB, one battery charge gives you 20 minutes of driving fun
- Ready to drive model with 2.4GHz remote control system and Lilon drive battery 7.4V - 1200mAh, USB charger
- Matching spare battery 500608255
- Have fun on safari with your CARSON 1:8 Land Rover Defender!

Not suitable for children under the age of three. There is a choking hazard due to small parts which may be swallowed!

Please keep these instructions for any correspondence. Use under direct adult supervision. Adult assistance is required to remove the transport locks. We reserve the right to make colour and technical changes.

- Impact resistant and robust body
- LED lighting at the front
- Extremely off-road capable, full suspension
- 4WD with powered front and rear axles
- Extremely interlocking wheel axles
