Product Description

The 1:20 Volvo A40G dump truck from CARSON is a high-quality and versatile toy excavator that is suitable for children aged 8 and over. The excavator is a replica of the original Volvo A40G dump truck and has numerous functions such as raising and lowering the dump body or controlling the light and sound via the transmitter, which allows children to let their imagination run free and carry out their own small construction projects. The model is made of high-quality and durable plastic and offers a realistic look and feel. The CARSON Volvo A40G dump truck is not only a great toy, but also a valuable addition to any collection of construction machinery models. Overall, the dump truck is a versatile toy that is suitable for both children and collectors and offers many hours of fun.

Matching replacement battery 500608239
