Product Description

What doesn't fit, is made to fit! Put down your cards: one at a time or several with the same card values. Card values that do not match can be adjusted by collecting penalty points. By matching, you get rid of the point chips again - because at the end, the first one to have no cards and no chips left wins! Caution! Not suitable for children under 36 months.
- Language: German- Age: from 8 years- Number of players: 3 to 6 players
