

Item no.: 365706

Synthetic resin-based modeling paint, beige, matt, RAL 1019, 14 ml

from **1,73 EUR**

Item no.: 365706
shipping weight: 0.10 kg
Manufacturer: Revell

Product Description

Revell Color is a synthetic resin enamel paint that does not attack the plastic surface of plastic models. However, many other materials can also be painted from the 14 ml paint can, which is popular with many hobbyists.

All colours - except signal colour - can be mixed with each other and thinned with Revell Color Mix.

This means that the paint can be applied not only with a brush but also with a spray gun. Use Revell Painta Clean for the brushes and Revell Airbrush Clean for the spray gun.

- Beige, matt
- 14 ml
- RAL 1019
