Product Description

The floor model is a replica of the Renault R5 Rally. For the 1977 rally season, the French company Renault developed a racing version of the popular little R5. Despite the fact that this car was designed for very different fields, the French technicians, after proper preparation, managed to get a remarkable performance out of the engine: 150CV and a remarkable drive ration, thanks to the included weight of only 800 kg. made the R5 a very agile and fast car. The R5 achieved great results at the Sanremo and Montecarlo rallies in 1978 and pleasing results at the Acropolis Rally and in Africa in succession. Caution! Not suitable for children under 36 months due to small parts which may be swallowed, risk of suffocation.
