Product Description

The floor model is a recreation of the DD445 Fletcher, which was active on the Pacific front, such as at the Third Battle of the Solomons. All features are faithfully represented, such as a flat deck drawing a sharp line from bow to stern, five 12.7-cm guns and a low and stable bridge. In addition, weapons such as a 53.3-cm torpedo launcher with 5 units, a 20-mm cannon and a depth charge projector are also high quality. Caution! Not suitable for children under 36 months due to small parts which may be swallowed, choking hazard.
