### Product Description

A model kit based on the Japanese Fubuki destroyer WL. The large hull, the powerful 12.7 cm double gun in the turret and the dynamic funnels have been recreated in a novel style that turned the conventional concept of destroyers on its head. Details such as the torpedo launcher and searchlight are also faithfully recreated. Caution! Not suitable for children under 3 years. Choking hazard due to small parts.

- Scale 1:700- Recommended age: 14 years and up- Length: 169 mm- Included: Waterline, instructions, decor
