from 14,41 EUR

Item no.: 369893
shipping weight: 0.80 kg
Manufacturer: TAMIYA

Product Description

The floor model is a replica of the small official car called "Tilly". The nickname of the vehicle is derived from the word utility. These Tilly vehicles were produced in large numbers for British and Allied forces during the Second World War from civilian vehicle designs. They were severely underpowered but served excellently during the Second World War. The vehicle was powered by a 22 kW four-cylinder engine, which gave the vehicle 10 hp.

- Scale 1:48- Recommended age: 14 years and up- Length: 84 mm- Contents: Kit model (vehicle), 1 figure, instructions, decoration- The high-quality kit from TAMIYA must be assembled independently.- The independent assembly is accompanied by step-by-step or illustrated assembly instructions. - The assembly instructions are of course included in the delivery.- Based on the assembly instructions, the precisely fitting individual parts must be assembled. - The parts can be painted according to your own ideas.- Tools, glue and paint are not included in the plastic kit. These must be purchased as an option.
